In addition to the Ohio State Wexner Medical Center general visitor policy, there are special visitor protocols for labor and delivery:

- Visitation is permitted at all times
- One support person and doula may accompany patient in triage rooms / assessment center
- Three support persons and doula may accompany patient in labor and delivery rooms
- One support person may accompany the patient in the operating room for a cesarean birth, unless mother's condition warrants otherwise
- Support persons may not attend surgical procedures except for cesarean births
- One support person may accompany the patient in the recovery room
- Visitors may be asked to wait in the waiting area unless mother's health warrants otherwise

3. Parking and Entrance

- **If you're delivering Monday-Friday 6am-6pm**, we recommend that you park in the 12th Avenue Parking Garage and enter the hospital through the ground floor entrance opposite the parking garage. (The 12th Avenue bridge entrance is temporarily closed.) Take the Doan Hall elevator to the sixth floor.
- **If you're delivering Saturday-Sunday**, please park in the SAFEAUTO Garage and enter the hospital through the 10th Avenue main hospital entrance. Take the Doan Hall elevator to the sixth floor.
- **After-Hours Arrival: If arriving between 6 pm and 6 am**, please enter the hospital through the [Emergency Department](#). We will provide you and your support person a mask and help you get to the Maternity Center. Park nearby in the Ohio State Wexner Medical Center garage or the SAFEAUTO Garage.
- **Parking cost is \$2/day** with a validated ticket- This can be done on Labor and Delivery or the Post-partum units
