

Interim HealthCare Home Visit

Meet the Nurses

Wendee Lester, RN

Shana Sidorski, RN

Sheena Richardson, RN

Birthing people living in Franklin and surrounding counties will receive a home visit at no cost to ensure your transition to home is going smoothly.

As a birthing person with the OSU Health Plan, a registered nurse from Interim HealthCare will be contacting you by phone or text to schedule within 4-10 days of delivery.

What to expect:

- A complete health checkup for delivering parent and baby
- Education and support on post-partum care
- Infant feeding support
- Infant care information
- OSU Health Plan resources and referrals
- The nurse will answer any questions or concerns you may have as you adjust to life's changes.

To schedule a home visit, please contact Interim HealthCare at

614-880-2938 or email the OSU [Buckeye Baby Program](#) at
